AFLAC Insurance - Indira Kinrade

Bondurant
(515) 975-1227

Aflac understands that life insurance is a topic that's not only hard to talk about, but it can also be confusing and hard to understand. That's why we keep it simple by offering three different types of policies. You can apply for your policy directly or at work.

- You can choose Aflac as your main source of coverage or use it to enhance the coverage you already have.
- Aflac belongs to you, not to your company - so you can take it with you whenever you leave.
- There's no waiting period requiring you to work for a certain length of time to become eligible for benefits.
- Our premiums are stable, so you know how much it is going to cost. That never changes as long as you pay your premiums.*
- Unlike some other life insurance plans, Aflac covers not only you, but offers coverage options for your spouse, your kids - and even your grandkids.
- Choose from Whole, Term, and Juvenile Life (Term to Age 25) policies to fit your needs.

*Aflac reserves the right to change premiums on term plans but would do so only on an entire class of policies.

Courtyard Estates is a retirement community offering fine dining, housekeeping and laundry services, and nursing care as needed on an individual basis. Many of the staff live in the Bondurant area. Pat Hanson, RN is the manager of Courtyard Estates in Bondurant. Pat has been employed by Courtyard for 4 years, having managed the original Pleasant Hill Courtyard until recently. Pat and the Courtyard Estates staff and residents invite you to stop by to visit. If you happen to be looking at possible retirement living, you can't go wrong with the decision to move to Courtyard now! The community also appreciates the Bondurant citizens for their willingness to volunteer as well.
