### Purchase Compost It! Bags

**Cost:** \$8 plus tax for a bundle of five bags. No sticker required. The cost of the Compost It! Bag covers the cost of collection.

**Tip:** Do not exceed 40 pounds of weight per bag.

### Compost It! Sticker + Store-brand Bag

**Cost:** \$1.25 plus tax per sticker plus cost of generic bag. The cost of the Compost It! Sticker covers the cost of collection. Attach one green Compost It! Sticker to each bag.

**Tip:** Do not exceed 40 pounds of weight per bag.

### Compost It! Sticker + Brush Bundle

**Cost:** \$1.25 plus tax per sticker. Attach a Compost It! Sticker to each brush bundle and place it next to carts or bags. Bundles cannot exceed 18 inches in diameter or four feet in length.

## In the City of Bondurant, you will experience life connecting.

On behalf of the City Council and City employees, it is my pleasure to share with you some updates of various activities in Bondurant — a city at the crossroads of growth and opportunity.

The City recently experienced another large valuation growth last year, with more than 15 percent increase from the previous fiscal year. The valuation increase reflects the City's growth, and, over the next few years, it should be significantly more due to large industrial projects under construction. This upward trend has continued over the last several years and clearly demonstrates Bondurant's attractiveness to residents and business.

Our great city has so much to offer, from education to recreation, we believe there is something here for every person and every business. We have a highly experienced Fire Department and EMS service that continues to be one of the best in the area and has been recognized with an international award for innovation in protecting public health and safety.

If you are looking for community events, festivals and activities, you are in the right place.

Our residents take great pride in Bondurant's uniqueness by offering a broad range of year-round civic and cultural events such as our annual Bondurant Summerfest, Bondu Spook-tacular, Battle of the Bands, Celebrate Bondurant, Bondu Blues & Brews, Bondurant Farmers Market, multiple Chichaqua Valley Trail biking events, and many other events.

Our beautiful parks and recreation facilities provide a remarkable quality of life for residents. In addition to some of the best softball and baseball fields in Iowa, the Bondurant Regional Sports Complex now includes soccer fields. The City also offers miles of paved trails as well as fishing and canoeing opportunities. Lake Petocka is stocked with rainbow trout, bluegill, channel catfish, largemouth bass, white bass and yellow perch. You can

also enjoy picnic shelters and a paved walking path surrounding the Lake Petocka waterfront. The ponds in Eagle Park are also great places for fishing! The city also has parks and playground equipment located within residential neighborhoods. Finally, the Library hosts activities continually and is currently expanding to meet the community's needs.

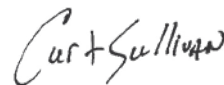

Additionally, over the last few years, the City has expanded the biking/walking trails connecting to the Chichaqua Valley Trail with additional trail connections to surrounding communities. A great place along the trail system is the Bondurant Trailhead Depot to rest or start your adventure. A southern trail connection from the Bondurant Trailhead along the Gay Lea Wilson trail will access the community Gateway Park and the award-winning Porch Swing and Fireflies display. Soon an underpass at Highway 65 will connect Gay Lea Wilson trail to surrounding communities to the south.

Arts and cultural activities enhance the quality of life for our residents. In support of this effort, the Bondurant Community Foundation has funded a public art display in Gateway Park and more recently an art mural on the Bondurant-Farrar Bus Barn showcased along the Chichaqua Valley Trail.

Whether you already live in Bondurant or are moving here, I encourage you to continually explore the great quality of life we offer that is an ideal environment where families and businesses can flourish. The City Council and I are committed to collaborating with city organizations/boards, the school district, private businesses, and the citizens of Bondurant to improve the overall quality of life.

Together, we can help sustain appealing growth, meet the needs of the citizens, and keep Bondurant brimming with opportunity.

The Bondurant Community Library is set to begin an expansion project which will double the size of the library. Patrons can look forward to a second meeting room, two more study rooms, a new maker space, more computers, and more seating areas. The increase in size also means more space for children's activities and more room for a larger collection. The project is set to begin this fall. Patrons may experience a few inconveniences during construction, but it will be well worth it.

# Bondurant-Farrar Community Schools

The community of Bondurant is located less than 10 miles from the cities of Des Moines, Altoona and Ankeny and offers small-town living with the close convenience of a major metropolitan area. The rural community of Farrar is located approximately 10 miles northeast of Bondurant and formerly housed Farrar Elementary until it closed in 2001-02. At Bondurant-Farrar, you'll find friendly neighbors, a great school system, and plenty of room to enjoy the outdoors.

Bondurant-Farrar is a high-achieving school district that takes pride in providing top-notch educational resources for our students. We are proud of our tradition of excellence and are working hard to ensure an even better future. The size of the district allows students the individual attention needed to succeed while providing the advantages of a bigger school.

Our district serves more than 2,485 students from preschool through grade 12 and is projected to grow annually for the next several years. The main campus, 55 acres in size, is home to the middle school, two elementary buildings, and the district's transportation facility. The high school campus, located on the north side of Bondurant, is home to Bluejay Stadium and the community auditorium.

Technology is integrated into student learning at all levels. The high

school, middle school and Anderson Elementary are 1:1 technology environments. At Morris Elementary, students enjoy a 2:1 technology environment through the use of Chromebooks and iPads. Additionally, the district strives to incorporate Science, Technology, Engineering and Math (STEM), as well as computer science in unique and innovative ways.

The district takes pride in providing a variety of clubs, activities and athletic opportunities to students. Students throughout the district are active in the arts and often earn statewide recognition for their efforts in band, speech, choir and visual art. Our student-athletes are students first and excel both inside and outside of the classroom. Several clubs, such as our local FFA chapter, are available to students.

We feel fortunate for the many ways community groups, including booster clubs and parent-teacher organizations, provide year-round support for our students and staff. In addition, the Bondurant-Farrar Education Foundation hosts the annual Party of Bluejays event which celebrates the successes of the district while raising funds. We consider ourselves lucky to have such generous and supportive partners in education.
