Brimming with opportunity

On behalf of the City Council and City employees, it is my pleasure to welcome you to Bondurant — a city at the crossroads of growth and opportunity. Bondurant is located along Highway 65 close to Interstate 80 and in close proximity to the large-city amenities of Des Moines, yet distant enough to provide a small-town lifestyle. This past year has challenged all of us, and I am proud of the work that everyone did, pulling together as a community to address the challenges of the global health pandemic as well as the derecho that affected so much of Iowa. I am proud and impressed with the innovative ways we have found to work together, even while staying physically distanced.

The city recently experienced another large valuation growth last year. This upward trend has continued over the last several years and clearly demonstrates Bondurant's attractiveness to residents and business. As a primary destination, we have convenient access to shopping, dining, entertainment, amusement parks, bike/walking trails and regional airport services and beautiful neighborhoods supported by excellent public safety services. We are thrilled to be home to so many locally grown businesses, as well as to globally recognized corporations.

Our City Council priorities focus on continually improving city services and promoting viable opportunities to meet the needs of a growing community. Those areas include supporting public education, infrastructure improvements, public safety, economic development, diverse residential growth, and bikeways and open spaces. Our great city has so much to offer, from education to recreation, we believe there is something here for everyone and every business.

If you are looking for community events, festivals, and activities, you are in the right place. Our residents take great pride in Bondurant's uniqueness by offering a broad range of year-round civic and cultural events such as our annual Bondurant Summerfest, Bondu Spook-tacular, Battle of the Bands, Celebrate Bondurant, Taste of Bondurant, Bondu Blues & Brews, Bondurant Farmers Market, multiple Chichaqua Valley Trail biking events, and many other events.

Our beautiful parks and recreation facilities provide a remarkable quality of life for residents. In addition to some of the best softball and baseball fields in Iowa, the Bondurant Regional Sports Complex now includes soccer fields. The City also offers miles of paved trails as well as fishing and canoeing opportunities. Lake Petocka is stocked with a variety of fish, and you can enjoy picnic shelters and a paved walking path surrounding the Lake Petocka waterfront. The ponds in Eagle Park are also great places for fishing! The city also has parks and playground equipment located within residential neighborhoods. City Parks and Recreation Board volunteers are currently spearheading the master plan for City Park and we look forward to creating a beautiful and functional park that will host many of the City's festivals and activities. Finally, the Library hosts activities continually and is currently expanding to meet the community's needs.

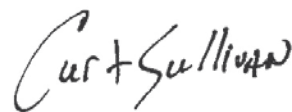

Additionally, over the last few years, the City has expanded the biking/walking trails connecting to the Chichaqua Valley Trail with additional trail connections to surrounding communities. A great place along the trail system is the Bondurant Trailhead Depot to rest or start your adventure. A southern trail

connection from the Bondurant Trailhead along the Gay Lea Wilson trail will access the community Gateway Park and the award-winning Porch Swing and Fireflies display. Soon an underpass at Highway 65 will connect Gay Lea Wilson trail to surrounding communities to the south.

Arts and cultural activities enhance the quality of life for our residents. In support of this effort, the Bondurant Community Foundation funded a public art display in Gateway Park and more recently an Art Mural on the Bondurant-Farrar Bus Barn showcased along the Chichaqua Valley Trail and is currently working on an additional mural that faces City Park in the downtown area.

Whether you already live in Bondurant or are moving here, I encourage you to continually explore the great quality of life we offer that is an ideal environment for families and businesses to flourish. The City Council and I are committed to collaborating with city organizations/boards, the school district, private businesses, and the citizens of Bondurant to improve the overall quality of life and do so in a strategic, cost-effective manner.

Together we can help guide growth, meet the needs of the citizens, and keep Bondurant brimming with opportunity.

COMMUNITY EVENTS AND FESTIVALS

- **Bondu Blues and Brews Festival, July 17, 2021.** This is a family-friendly event at our iconic community park. Start the evening listening to some blues music while the homebrew competition judges taste test brews submitted from all over central-Iowa. Showcased along the Chichaqua Valley Trail is art from the Sidewalk Chalk Art Competition earlier in the day. Participate in a people choice vote on the art showcased by Bondurant natives. Enjoy food trucks, ice-cold treats, and family entertainment at no charge, maybe a smiling face.
- **Winter Chowder Ride, Feb. 12, 2022.** Just show up! Bring your bicycle, your winter gear, and look forward to a brisk winter bike ride on the Chichaqua Valley Trail. Stop at a few warming stations along the route which will include a warm bowl of Chowder, homecooked chili and some warm apple cider.
- **Movies in the Park Fall Series, August -October.** City Park is located in the heart of Bondurant at 201 Main Street S.E. Enjoy a late-night flick at the City Park this fall while munching on some popcorn. Bring the entire family, snuggle up under the stars, bring a lawn chair or blanket and make some memories in the park.
- **Merry and Bright Parade, Dec 4, 2021.** Bondurant brings "Christmas Cheer for ALL to Hear" during this magical holiday parade. This is a family-friendly, kids-appropriate parade to kick off the holiday season for you, your family, and friends. This is a night parade, and, due to darkness, this is a candy free event. Bundle warm and enjoy the floats in the Downtown Bondurant District.
- **Bondu Spooktacular, Oct. 23, 2021.** Departments, Clubs, and Organizations collaborate each year to bring contests, games, candy and MORE! The 2022 Halloween Costume Contest is a way to get recognized! Bring the family dressed to impress. Kids have an opportunity to participate in a donut-eating contest which typically brings the laughter.
- **Annual Cribbage Tournament, Jan. 15, 2022.** This has been a long-time tradition in Bondurant since inception. If you have read the Bondurant Centennial, there are fun stories that have been told from the past. Registration is minimal, but the stakes are high. Bring your cribbage board and play with like-minded cribbage players.
- **Bags Tournament, Spring, Summer, and Fall.** Bring your own bags (6"x6"), bring a partner, and prepare to play a double elimination tournament. The boards are slick, they are regulation size, and a lot of cornhole has been played on them. Each year a winner is deemed bragging rights until the next season returns. Do you have what it takes? Pre-register with Bondurant Parks and Recreation.
- **Bondurant Bags League, September-October.** If the Bags Tournaments were not enough and you need some practice, then sign up for the Bondurant Bags League. Depending on registration, one league can run competitive and another can run less competitive. Bring your game! Pre-register with Bondurant Parks and Recreation.

BIGGER LIBRARY—SAME GREAT SERVICE!

The Bondurant Community Library has just completed an expansion project which doubled the size of the library. Patrons can now enjoy two new community meeting rooms, two new conference/group study rooms, a maker space, and an increased collection size. We've also added a dedicated teen area, a new children's activity area, and more computers and seating areas. Stop by and see all of the wonderful changes, but remember, one thing hasn't changed — the commitment of the staff to provide the best service to the community.

Bondurant-Farrar Community Schools

Bondurant-Farrar is a high-achieving school district that takes pride in providing top-notch educational resources for students. We are very proud of our tradition of excellence and are working hard to ensure an even better future. The size of the district allows students the individual attention needed to succeed while providing the advantages of a bigger school.

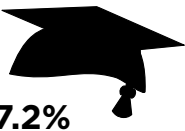

Our district serves more than 2,530 students from preschool through grade 12 and is projected to grow annually for the next several years. The campus on Garfield Street is 55 acres in size and home to the middle school, two elementary buildings, and the district's transportation facility. The Grant Street campus is home to the high school, Bluejay Stadium, and the new junior high building which is anticipated to open in the fall of 2022.

The new building will serve Bondurant-Farrar students in grades seven through eight and help relieve capacity challenges at three of the district's current schools. Based on enrollment projections, the additional space provided by the new building, along with grade reconfiguration, should serve the district's needs through the fall of 2028. Funding for the new building was made possible by the

community’s overwhelming support of the district’s September 8, 2020 bond referendum, which passed with 93.5% voter approval.

Technology is integrated into student learning at all levels. The high school, middle school, and Anderson Elementary are 1:1 technology environments. At Morris Elementary, students enjoy a 2:1 technology environment through the use of Chromebooks and iPads. Additionally, the district strives to incorporate Science, Technology, Engineering, and Math (STEM), as well as computer science in unique and innovative ways.

The district takes pride in providing a variety of clubs, activities, and athletic opportunities to students. Students throughout the district are active in the arts and often earn statewide recognition for their efforts in band, speech, choir and visual art. Our student-athletes are students first and excel both inside and outside of the classroom. Several clubs, such as our local FFA chapter, are available to students.

We feel fortunate for the many ways community groups, including booster clubs and parent-teacher organizations, provide year-round support for our students and staff. We consider ourselves lucky to have such generous and supportive partners in education.
